Home & Body Company

Where passion and performance meet, dedication to exceptional service our clients come to expect.

Sixteen years manufacturing excellence in personal care lines and home products in Huntington Beach CA – USA.

At HOBOCO we are representing the very best in manufacturing for personal care lines in soaps, hand and body lotions, scents, oils, linen sprays, body butters, hair care, salt and sugar scrubs, diffusers and a multitude other products available. We provide an exceptional experience for new customers and existing clients by leveraging over 2,800 products and 50 exceptional lines, each with their own brand identities while providing beneficial and unique ingredients in every product we stand behind.

Our passion to be the very best in what we offer in development, knowledge and expertise makes HOBOCO your first choice. Exceptional products make for quick and repeated turns and greater Return On Investment. Quality begins first with research in finding the very best blends of fragrance and essential oils. We use only the finest ingredients that provide natural freshness and superb aromas all which keep our clients coming back for more. Our products are biodegradable and are not tested on animals and produced in a non-polluting, 20,000 square ft., industrial complex in Huntington Beach CA., producing over 10,000 quality units a day. Diversity in demographics by offering a wide range of finished goods, our in house design teams create unique trendy, vintage, modern or custom looks in our packaging branding, giving our clients the edge they need in reaching out to what their customers are demanding in a broad range of demographics at the target price they can afford.

Let us know what we can do for you and your needs today:

Thank you,

The HOBOCO Team
